

TRAINING SUMMARY

COURSE NAME FIRST AID & CPR TRAINING – Emergency Level

LENGTH 1 day (in-class)
½ day (on-line blended)

COST \$125.00 for in-class
Contact us for blended rate & availability.

We offer two types of First Aid courses depending on the size of the workplace and upon your requirements; Emergency First Aid & CPR/AED and Standard First Aid & CPR/AED. Your company will learn practical skills taught by a range of experienced professionals with medical or emergency response backgrounds. Our in-depth courses, which are WCB, WSIB and federally compliant, exceed the industry standards.

Please note that we have recently been approved by the WSIB to offer a blended First Aid/CPR courses with half the course being offered on-line at your own pace. Contact RSMac Consulting's Learning Centre for more information on our on-line delivery method: training@rsmac.ca

DESCRIPTION OF EMERGENCY LEVEL FIRST AID & CPR/AED TRAINING

FA1FR

This course is designed for small workplaces or workplaces close to medical facilities. It is a one-day course offering an overview of first aid and cardiopulmonary resuscitation (CPR) skills for the workplace or home. We meet OHS regulations for Basic First Aid and exceed our competitors' standards by including injury prevention content, CPR for all ages and AED training. The successful completion of this course will give the participant certification in Emergency First Aid & CPR/AED for a 3 year period.

LEARNED TOPICS/OBJECTIVES

- Preparing to respond
- The EMS system
- Check, Call, Care
- Airway emergencies
- Breathing and circulation emergencies
- First aid for respiratory and cardiac arrest
- Wound care
- Includes any other content required by specific legislation

Discounted pricing starts at 3 or more courses. Pricing available for individuals or companies. Contact RSMac Consulting Inc's Learning Centre team directly at training@rsmac.ca for a quote on volume discounts and discuss our Learning Management System for companies.
