

TRAINING SUMMARY

COURSE NAME Security Questioning LENGTH 90 mins

COST \$89.99 LANGUAGE English

DESCRIPTION

The ability of officers to interview & question the people they interact with is critical for threat mitigation & security

This Security Questioning Online Course is a unique training module that teaches students how to use one of the most effective yet under-utilized skills in security: questioning. We emphasize the human element by empowering security personnel to ask threat-oriented questions. Security Questioning deters adversaries and hardens your target. The course provides a step-by-step process for honing questioning skills. Learning is enhanced with video simulations and interactive exercises.

LEARNED TOPICS/OBJECTIVES

- Threat Assessment through Security Questioning
- The Cover Story
- The Initial Security Assessment of the Interviewee
- Security Questioning Guidelines
- Situational Assessment in Security Questioning
- Behavioral Assessment in Security Questioning
