COURSE NAME USING THE HAZARD ASSESSMENT FORM LENGTH 25 mins

COST \$49.99 LANGUAGE English VOICEOVER Yes

## DESCRIPTION

A workplace hazard assessment form is a tool used to assess the workplace and identify hazards before they become a problem. It is a requirement under the law, that employers know their workplace hazards and implement controls to reduce or eliminate them. This module will teach participants to use the workplace hazard assessment form in conjunction with the recognition, assessment and control principles to deal with all hazards.

It is recommended that participants take Recognize, Assess and Control prior to taking this course.

## LEARNED TOPICS/OBJECTIVES

Upon successful completion of the program, you will be knowledgeable and/or demonstrate proficiency in understanding:

- What is a workplace hazard assessment
- Steps to filling out the form
- Determining hazard ratings to assess the hazard
- How to select and implement controls

## ASSESSMENT

Testing conducted throughout this course is designed to reinforce the information presented. A mark of 80% must be achieved in order to receive a certificate of completion. Participants are able to repeat the course if the pass mark is not achieved. Upon successful completion of this online course, a certificate of completion will be available for download and printing.
